

# Anglia Club Online

Anglia Club Online is an International interactive English learning resource for speakers of other languages, created by Anglia Examinations. The aim is to make English learning fun and interesting. No long lessons, tiring classes or excessive homework. Anglia Club Online takes significant steps to making English naturally motivational; for ALL levels. All activities are linked to Anglia Examination levels and syllabus with members from all over the world. Easy access with secure login and password for an inexpensive annual family subscription.

## What is Anglia Club Online?

- Anglia Club Online provides a collection of English as a Second Language (ESL) tools and resources for learners, teachers and parents
- Anglia Club Online is an international interactive community for English learners for all ages & levels of English proficiency
- Anglia Club Online is linked to internationally recognised Anglia ESOL Examinations and can be used for test preparation
